

What a great Summer! Thousands of families enjoyed our fantastic entertainment over the holidays!

Our Summer fun programme was jam packed with stories, theatre performances, face painting, art and crafts workshops, and sports courses including Active Camps. There was lots to do for everyone including free music events in parks, play activities and nature walks.

Here are some of the highlights!

Redbridge's Summer

**Olympic Inspiration**

More than 7,000 residents helped Redbridge celebrate the London 2012 Open Weekend at Inspiration 09.

Visitors were treated to a variety of acts including Kabaddi demonstrations, Chinese lion dancers, circus performers, singers and performances from IROKO theatre. There were also taster sessions and workshops running across the day including circus skills, silent disco and street dance.

“It’s really good that there are events like this. In the run up to the Olympics, it’s important that sport and arts activities are offered to our children. We’re spoilt for choice!”

Amanda Fisher, with children, Harry, 4, and Samuel, 11

**Family Owl Display**

Families met European Eagle Owls and were treated to a fantastic flying display!

**Bushcraft!**

Children joined survival experts, and learnt how to find food in the wild.
